To facilitate **open access** publication of the Author's manuscript (the "Manuscript") in the **AAPT Studies in Pedagogy** (the "Journal"), the Author hereby assigns and transfers to the American Association of Philosophy Teachers ("AAPT") certain intellectual property rights in the Manuscript as follows:

- a) for the first publication of the Manuscript in the Journal in any medium including but not limited to online, print, database, DVD, microform, and all forms of electronic publication, storage, and/or transmission. The Author understands that the AAPT shall hold copyright to the Journal as a collected work and to the Manuscript as part of this collection.
- b) for the publication of the Manuscript in all future reprints and other versions of the Journal, in any medium including but not limited to print, online, database, DVD, microform, and all forms of electronic publication, storage, and/or transmission.

The Manuscript shall be published with a **Creative Commons Attribution-NonCommercial-NoDerivatives License (CC BY-NC-ND)**. This license allows users to share and adapt the material in the Manuscript, in any medium or format, and provides for:

- the unlimited right of unpaid access to the full-text of the Manuscript as published in the Journal; and

After the Manuscript has been published in the Journal, the Author may republish the content of the Manuscript in any language and in any format for any non-commercial purpose, consistent with the terms of the Creative Commons BY-NC-ND license. The Author retains the right to reuse the content of the Manuscript in all other publications they may write or edit, with appropriate acknowledgment of the original publication in the Journal.

As a condition of publication of the Manuscript under these terms, the Author agrees that an open access publication charge of **US\$1,000** shall be paid to the Philosophy Documentation Center (the "Publisher"), prior to publication. Applicable taxes or bank charges, if any, are not included in this amount. The purpose of this fee is to support production, preservation, and perpetual free online access to the Manuscript as published in the Journal. The fee may be paid by the Author, the Author's authorized agent, or a designated funding body or other entity. Payment must be received by the Publisher prior to Open Access publication of the Manuscript in the Journal.
