

News from the Leibniz-Gesellschaft
Wenchao Li (Hannover/Potsdam)

Academy Edition Update:

Two volumes have been published since the last report:

Volume I,21 (General, Political and Historical Correspondence, April to December 1702), appeared in April 2012.

Volume VII,6 (Mathematical Writings, arithmetic quadrature of the circle 1673-1676), appeared in November 2012.

»Studia Leibnitiana« along with special issues and Supplementa:

Volume 42 (2010) appeared. 2011, No. 1 will be released in December 2012. During the first term of 2013 Volumes 2011, No. 2 and 2012, No. 1 will be published.

As special issues 41 and 42 appeared:

Leibniz und die Ökumene, ed. by W. Li, H. Poser and H. Rudolph (= *Studia Leibnitiana, Sonderhefte* 41). This volume records a conference conjointly organized by Leibniz Gesellschaft in 2009 in Berlin.

„Leibniz“ in der Zeit des Nationalsozialismus, ed. by W. Li and H. Rudolph (= *Studia Leibnitiana, Sonderhefte* 42). This volume records a conference conjointly organized by Leibniz Gesellschaft and Leibniz Endowed Professorship in 2010.

As Supplementa 36 und 37 are in print:

300 Jahre Essais de Théodicée – Rezeption und Transformation, ed. by W. Li and W. Schmidt-Biggemann (= *Studia Leibnitiana, Supplementa* 36). This volume records a conference conjointly organized by Leibniz Gesellschaft, Leibniz Edition Potsdam and other associate partners in October 2010.

Hanns-Peter Neumann: *Monaden im Diskurs. Monas, Monaden, Monadologien (1600 bis 1770)* (= *Studia Leibnitiana, Supplementa* 37).

Additional publication:

A volume with addenda has been published additional to the three volumes of *Beiträge des IX. Internationalen Kongresses* and sent as the donation of 2012 to the members of the Leibniz Gesellschaft.

NEWS FROM THE LEIBNIZ-GESELLSCHAFT

International Symposia

December 9-10, 2011, the Leibniz Gesellschaft and the Leibniz Endowed Professorship organized the international Symposium *Komma und Kathedrale* about the tradition, importance and challenges of the Leibniz Edition. The proceedings, ed. by W. Li, have just been released (Berlin: Akademie Verlag). The book (hardback) will be given as a donation of 2013 to those members who paid their membership fee.

In honour of Hans Poser's 75th birthday, an international conference on Leibniz's language research and philosophy of language (*Leibniz' Sprachforschung und Sprachphilosophie*) took place; the proceedings are to be published in 2013.

October 10-12, 2014, there will be an international conference *300 Jahre Monadologie* in Hanover, organized by the Leibniz Endowed Professorship and the Leibniz-Gesellschaft.
