

## ACKNOWLEDGMENTS AND SUBSCRIPTION INFORMATION

In this issue we pause to thank Patrick Riley for his contribution to Leibniz scholarship in these pages over the past 15 years. David Williams kindly agreed to write the lead article on Patrick. I am grateful for the volunteer work of all the contributors, referees, and members. Larry Carlin has been particularly helpful this year in preparing the “Recent Works” section. Referees over the years have included (in random order) Anja Jauernig, Don Rutherford, Justin Smith, Richard Arthur, Massimo Mugnai, Gregory Brown, Daniel Garber, Paul Lodge, R. C. Sleigh, Jr., Catherine Wilson, Wolfgang Lenzen, Yitzhak Melamed, Robert M. Adams, Jeff McDonough, Michael Seidler, Mark Kulstad, and Mogens Lærke. I am grateful for their hard work which, behind the scenes, helped improve the articles which appear here.

Support and funding for typesetting, printing, and mailing is provided in part by The Ohio State University at Mansfield. Those who have secured institutional subscriptions to the *Review*, or who have paid Leibniz Society of North America dues or made cash contributions, are also thanked for generating funding. Philip Beeley, Daniel Garber, Vincenzo De Risi, Gregory Brown, Donald Rutherford, Laurence Carlin, and Mark Kulstad have contributed creative ideas about how to improve the *Review*. The faithful support of the Society’s Executive Committee and President has been invaluable, as has the help of Marna Utz in keeping track of membership information and preparing the mailings.
