Vico: Bibliography of Works in English 1994–2002

Compiled by Molly Black Verene

INTRODUCTORY NOTE

The bibliographic entries listed below were compiled as continuations of the 1994 bibliography, *VICO: A Bibliography of Works in English from 1884 to 1994*, published in the series, “Bibliographies of Famous Philosophers” (Bowling Green, Ohio: Philosophy Documentation Center, 1994). These entries were published in *New Vico Studies* 13–19 (1995–2001). This list includes works published through 2002.

Essays and reviews of books published earlier than the 1994 bibliography which came to my attention later are included in Part I. See *Errata corrigé*, *New Vico Studies* 14 (1996): 154, for several items omitted from the 1994 collection.
