The Pope John Center Board of Directors has accepted Fr. Albert Moraczewski’s resignation effective January 1, 1979 with deep regret. This was done in light of the need to reorganize the administrative responsibilities of the Center. The Board of Directors has passed a resolution and will be offering Father Albert Moraczewski the position of Director of Research with the Center. These actions and steps were taken in order to achieve more effectively the original goals of the Center.

Sister Cheryl Allen completed her summer sabbatical at the Pope John Center and has returned to her assignment as Assistant Professor of Biochemistry at Nazareth College, Nazareth, Michigan.

Dr. Gary M. Atkinson, Assistant Professor of Philosophy at William Woods College at Fulton, Missouri, has returned as summer Research Associate at the Center. Dr. Atkinson will devote himself to research and writing under the direction of Father Albert.

The Pope John Center staff attended the week-long CHA Assembly in New Orleans the first week of June. From a promotional booth Pope John Center questionnaires were distributed to the health care delegates seeking their input with regards to the work and goals of the Center.

When the National Right to Life Convention begins in St. Louis on June 29, 1978, the Pope John Center staff will be there with slides, task force reports and other material to promote the work of the Center.
