5. Air Travel to Texas A & M information:

The best route to College State is via Dallas. From Dallas RIO
Airlines has hourly flights.

For those interested in renting a car the best route is to Houston
which is roughly 100 miles from College Station.

As of the date of this newsletter the airfare is $348.00. How­
ever if at least 10 persons travel as a group the fare is
approximately $229.00. There also is a freedom fare which is
approximately $250.00. To qualify you must go no later than
Thursday and return after Saturday. If 10 or more persons are
interested in a group flight, please contact me in December at
the APA Meetings. At that time the air prices may be more
definite and I shall have additional travel information.
