

DOCUMENTATION

This year's documentation section contains three items: a description of the "Sane Economy" project, the schedule itself of the 2004 annual conference of the Society; and a sampling of some of our members' recent publications and accomplishments.

Anyone wishing to submit articles, reprints, announcements, or short materials for publication consideration in the Documentation Section should submit a Word or Wordperfect file to the new editor for the Documentation section, Dr. Brian Simboli. Contact him at brs4@lehigh.edu to make submission arrangements.
