

THE AMERICAN PHILOSOPHY GROUP

NEWSLETTER # 1

In this, our first newsletter, we desire to inform and to seek information from you:

1. Enclosed is a list of those who attended our first meeting, those who are serving on the Executive Committee and those whose names have been submitted by various persons.
2. We would like to have each member send to the Executive Secretary a statement regarding his/her interest and/or research being done in American Philosophy.
3. We would ask you to consider checking the list for persons in your vicinity with the view toward possibly starting local groups to discuss American Philosophy.
4. At the upcoming Western APA Meetings to be held in Chicago April 26, 27 and 28 we are planning to hold a symposium.
5. If you know of any philosophers who would be interested in joining our group, please send us the names and addresses.

Joseph G. Grassi
