1. The American Philosophy Group will hold a symposium on "Possibilities for American Philosophy." Symposiasts will be John J. McDermott, John Lachs, H. S. Thayer, Evelyn Shirk and Max Fisch. This will take place at the Western Philosophy Association Meeting at the Palmer House in Chicago, April 26, Thursday at 4:30 P.M. The room will be announced at that time. We urge all interested persons to attend.
2. After the symposium there will be a meeting of the Executive Council to discuss future directions of the Group.
3. The response to the first newsletter was excellent. If you have not sent in information about your interest and/or research in American Philosophy, please do so as soon as possible. This information will be helpful for our plans.
4. An up-to-date list of persons affiliated with the Group will be prepared after the April meeting and a report of that meeting will be given.
