5. Information on Travel to S.I.U.

Those planning to attend the Annual Meeting should begin to make travel plans. By staying in St. Louis (or Carbondale) over Saturday night there is a considerable savings. A few examples of such savings are: New York to St. Louis and return regular fare \$484 but by staying over \$328; Boston - St. Louis \$542 vs \$291; Washington, DC \$426 vs \$327. There are substantial savings from other cities. In addition we can save a substantial amount by chartering a bus for the round trip St. Louis - Carbondale. To arrange for a bus I must know how many are planning to attend the meeting.

6. Dues

If you have not paid your 1982 dues (still \$5.00) why not send a check today?
