How the SEC's proposed rules for shareholder nominations to corporate boards would work. PAGE 8

COVER STORY

Beyond Scarcity: A New Story for American Capitalism

Can we alter the basic operating values of American capitalism so that the priorities of society become dominant? William Greider gives hope that such bedrock change is possible—not through the federal government, but thanks to unsung pioneers in business, finance, and social activism, who show us that change is already originating within capitalism, organically.
