IABS Leadership 2020 .............................................................................................................. 160

IABS Past Presidents, Conference Chairs, and Proceedings Editors ..................................... 161

2020 Conference Program ....................................................................................................... 165
ABOUT THESE PROCEEDINGS

The IABS 2020 Proceedings contains 14 papers and other materials that were presented at the Thirty-First Annual Conference of the International Association for Business and Society, scheduled to be in Lisbon, Portugal, held virtually on July 6-10 and 13-17, 2020.

To assist you in using and advancing the research included in these Proceedings, published pieces are organized in the following categories:

• Business Ethics and Ethical Leadership (including property rights, social justice, and values)
• Corporate Social Responsibility and Performance (including corporate citizenship, corporate philanthropy, and social responsiveness)
• Environmental Management and Regulation (including environmental quality, pollution control, environmental stewardship)
• Sustainability and Sustainable Development
• Social Entrepreneurship and Social Enterprise (including social investing)
• Governance Issues (including international governance regimes, legal standards, and comparative governance)
• Stakeholder Issues and Theory (including perceptions of reputation)
• Teaching and Learning

The category appears at the top of the first page of each published piece. Similarly, articles focused on the conference theme “EXPLORATION | KNOWN + UNKNOWN” are indicated as such on the first page of each article.

Information on Conference participants and on the IABS leadership is located in the final pages of the document; in this way, we assure that published manuscripts contained herein will appear first on database listings. Databases facilitate searching by keywords, author names, dates of publication, and so forth.

Below is an example of how to cite papers from these Proceedings when you reference them in your research. Of course, the specific format may vary, but this is the information IABS would like to see included:
