---

Our contributors.

**Gibson Winter** is professor of ethics and society at the University of Chicago divinity school. He is the author of numerous books including *Elements for a Social Ethic* and, most recently, *Being Free*.

**Cynthia Schuster** is professor of philosophy at the University of Montana. Currently vice president of the Pacific Division of the American Philosophical Association, she has been concerned with and has written about ethics and the theory of knowledge for many years.

**Efraim Shmueli** is professor of philosophy at The Cleveland State University. His interests range through philosophy, psychology, social theory, and history and he has written extensively in English and in Hebrew.

**Jack A. Soules** is a physicist and dean of the College of Arts and Sciences at The Cleveland State University. His

interests range from music to philosophy. The unity of knowledge is one of his major concerns.

**Samuel A. Richmond** is an associate professor of philosophy at The Cleveland State University. His interests are in metaphysics and ethics.

**Richard M. Fox**, an associate professor of philosophy at The Cleveland State University, works mainly in ethics.

**Nelson Pole**, assistant professor of philosophy at The Cleveland State University, has recently become increasingly interested in the philosophy of education. He teaches philosophy of science and logic and has strong interests in social and political theory.

**Leslie Armour** is professor and chairman of the Department of Philosophy at The Cleveland State University. He is the author of *The Rational and the Real*, *The Concept of Truth*, and *Logic and Reality*.
