free page previews are available to non-subscribers. Open access is provided for select titles. Content is displayed in either HTML or PDF format. Institutions may order individual titles, multiple titles, bundles, or the entire collection. Pricing is modest, and multi-campus and consortia pricing is available.

Journal coverage expands as new issues are published. Subscribers have access to current issues and all archive issues. Free search and

Fulltext E-Collection – hosted by the Philosophy Documentation Center

Since 1966 the Philosophy Documentation Center (PDC) has earned a reputation for excellence with the non-profit publication of scholarly reference materials, journals, series, and conference proceedings. We also provide membership and publishing services for learned societies in philosophy and related fields. Our goal is to increase access to humanities scholarship in a fair and sustainable manner.

Over 150 titles in English and other languages. 140,000+ articles, reviews, and other documents!

(More titles each year - most only available through PDC)
