

Techné: Research in Philosophy and Technology

The Journal of the Society for Philosophy and Technology

Standard Publication Agreement

In consideration of the publication of the Author's manuscript (the "Manuscript") in ***Techné: Research in Philosophy and Technology*** (the "Journal"), the Author hereby assigns and transfers to the **Society for Philosophy and Technology** (the "Society") certain copyright and intellectual property rights in the Paper as follows

- a) for the first publication of the Manuscript in the Journal in any electronic, print, microform or other medium, or any other form of electronic publication and/or transmission. The Author understands that the Society will hold copyright to the Journal as a collected work and to the Manuscript as part of this collection.
- b) for the publication of the Manuscript in all future reprints and other versions of the Journal, in any medium including any electronic, print, microform or other medium that may be invented in the future.

The Author retains certain copyright and other intellectual property rights in the Manuscript. After the Manuscript has been published in the Journal, the Author may republish the content of the original Manuscript in any language and in any format for any educational, classroom, or other instructional purpose in which the Manuscript is made available for use without charge. The Author is also free to publish revised and/or longer works derived from this Manuscript in any book, dissertation, course pack, or anthology the Author might write or edit. Any other republication of the Manuscript shall be subject to the approval of the Society or its authorized agent. The Author shall always make appropriate acknowledgment of original publication of the Manuscript in the Journal.

After the Manuscript has been published in the Journal, the Author may post the original text of the Manuscript as submitted to the Journal to open access web sites. However, any file used for this purpose may not duplicate page images from the Journal or the look and feel of the Journal. Under no circumstances may published files from the online version of the Journal be used for this purpose.

The Author agrees that the Society or its authorized agent has the perpetual right to define terms and grant permission for licensing, duplicating, photocopying, and/or downloading of the Manuscript as published in the Journal. The Author further agrees that the Society or its authorized agent may give third parties permission to republish the Manuscript or part or parts thereof in any medium including but not limited to print, online, database, DVD, microform, and all forms of electronic publication, storage, and/or transmission.

The Author warrants that s/he has the right to grant the license and permission set forth above, that the Manuscript is the Author's original work, and that it has not been previously published. The Author further warrants that the Manuscript contains no libelous or unlawful statements and does not infringe on the rights of others. If excerpts from copyrighted works are included, the author has obtained or will obtain permission from the copyright owners and will credit the sources as appropriate.
