

TEACHING ETHICS
Author Publication Agreement

In consideration of the publication and preservation of the Author's manuscript (the "Manuscript") in **Teaching Ethics** (the "Journal") by the **Philosophy Documentation Center** (the "Publisher"), the Author hereby assigns and transfers to the **Society for Ethics Across the Curriculum** ("the Society") certain copyright and other intellectual property rights in the Manuscript as follows

- a) for the first publication of the Manuscript in the Journal in any medium including but not limited to print, online, database, DVD, microform, and all forms of electronic publication, storage, and/or transmission. The Author understands that the Society shall hold copyright to the Journal as a collected work and to the Manuscript as part of this collection.
- b) for the publication of the Manuscript in all future reprints and versions of the Journal, in any medium including but not limited to print, online, database, DVD, microform, and all forms of electronic publication, storage, and/or transmission.

The Author retains certain copyright and other intellectual property rights in the Manuscript. After the Manuscript has been published in the Journal, the Author may republish the content of the original Manuscript in any language and in any format for any educational, classroom, or other instructional purpose in which the Manuscript is made available without charge. The Author is also free to publish revised and/or longer works derived from this Manuscript in any book, dissertation, course pack, or anthology the Author might write or edit. Any other republication of the Manuscript shall be subject to approval by the Publisher, on the Society's behalf.

After the Manuscript has been published in the Journal, the Author may post the original text of the Article as submitted to the Journal to open access web sites. However, any file used for this purpose may not duplicate page images from the Journal or the look and feel of the Journal. Under no circumstances may files from the online version of the Journal be used for this purpose.

The Author agrees that the Publisher shall have the right to define terms and grant permission for licensing, duplicating, and/or downloading of the Manuscript as published in the Journal, on the Society's behalf. The Author further agrees that the Publisher may give third parties permission to republish the Manuscript or part or parts thereof in any medium including but not limited to print, online, database, DVD, microform, and all forms of electronic publication, storage, and/or transmission.

The Author warrants that s/he has the right to grant the license and permission set forth above. The author further warrants that the Manuscript is the author's original work and has not been published before; that it contains no libelous or other unlawful statements; and that it does not infringe on the rights of others. If excerpts from copyrighted works are included, the author has obtained or will obtain permission from the copyright owners and will credit the sources in the article.
