## Editorial Announcement

We are pleased to announce that beginning with Volume Three, *Teaching Philosophy* will be published and distributed for the Teaching Philosophy Association by the Philosophy Documentation Center at Bowling Green State University, Bowling Green, Ohio 43403, U.S.A. All correspondence concerning subscriptions and advertising should be sent to that address. This will mean no change, however, for the editorial functions of the journal, which will continue with Arnold Wilson, Editor, *Teaching Philosophy* 206, University of Cincinnati, Cincinnati, Ohio 45221, U.S.A.

This transfer may involve some delay in processing and fulfilling orders; we beg the indulgence of anyone inconvenienced. Our new arrangement will allow the journal to return to schedule very soon and to begin a regular quarterly schedule in 1981.

## Acknowledgments

*Teaching Philosophy* gratefully acknowledges the financial assistance it has received in publishing Volume Two. Without support given by the Bonded Scale Company of Columbus, Ohio, and by the University College, Graduate Dean's Office, and Provost for Academic Affairs, all of the University of Cincinnati, publication of the journal could not have continued.

Although manuscripts submitted to the journal are usually refereed by members of the editorial board, it is frequently necessary to call on others for help in these tasks. We gratefully acknowledge this otherwise thankless service that the following have given us.
